

VARMAN METALS

PREMIUM ZINC INGOT SUPPLIER | EST. 2024

EXECUTIVE SUMMARY

Varman Metals is a premier supplier of non-ferrous metals, specializing in **High Grade** and **SHG 99.995% Zinc Ingots**. Bridging the gap between manufacturing excellence and industrial application, we serve the Die Casting and Galvanizing sectors across India.

Headquartered in Meerut with a monthly supply capacity of **200 MT**, we are committed to purity, transparency, and logistical speed.

WHY PARTNER WITH US?

RELIABLE SOURCING

Consistent supply chain for hubs like Ludhiana & Mumbai via trusted manufacturers.

FULLY COMPLIANT

Registered **MSME Unit**.
GST Billing (HSN 7901).
Valid Lab Reports.

DISPATCH READY

Daily rates (₹225-310/kg). Fast dispatch in 25kg Gunny Bags.

PRODUCT CATALOG

ISO 9001:2015 STANDARDS | HSN CODE: 7901

SHG ZINC (99.995%)

SPECIAL HIGH GRADE | LME REGISTERED

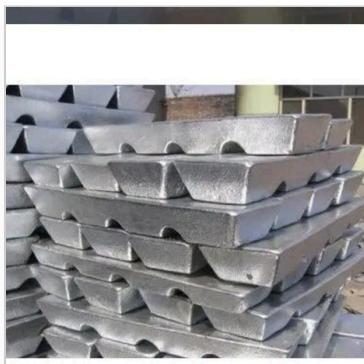

Our flagship product. With 99.995% purity, this is essential for high-precision **Zamak Alloys (3 & 5)** where impurities cause cracking. Used extensively in auto-grade continuous galvanizing lines.

HIGH GRADE ZINC (HG)

STANDARD GRADE | METALLIC FINISH

The industrial workhorse. Offers the perfect balance of purity and cost. Standard choice for **Brass Manufacturing (60/40)** where slight lead content aids machinability, and for Hot Dip Galvanizing.

PMI ZINC (SECONDARY)

ECONOMY GRADE | ROUGH SURFACE

Cost-effective solution for non-critical applications. Ideal for structural galvanizing (gates, weights, grids). The naturally higher **Lead (Pb)** content assists molten flow on rough steel.

TECHNICAL DATA

SPECIFICATIONS & LOGISTICS

CHEMICAL SPECIFICATIONS

Grade	Purity (Zn)	Pb Content	Primary Application
SHG Zinc	99.995% Min	< 0.003%	Die Casting (Zamak)
High Grade (HG)	99.90%	0.03% - 0.1%	Brass & Hot Dip Galv.
PMI Zinc	95% - 99%	High Lead	General Galvanizing

LOGISTICS

- Unit Weight:** ~25 Kg per Ingot
- Packing:** Palletized (1 MT) or Loose
- Dispatch:** Same day for orders < 12 PM
- Transport:** Reliable PAN India Network

INDUSTRIES SERVED

- Automotive:** Parts & Sheets
- Construction:** TMT Bars & Structures
- Hardware:** Bathroom Fittings
- Electrical:** Towers & Poles
